ANNOUNCEMENT

61st ACMA Excellence Awards &
12th Technology Summit 2027

THEME: DRIVING MANUFACTURING INTELLIGENCE

Export Excellence • AI • Automation • Advanced Manufacturing

📅 **Date & Time**	**3rd March 2027 | 0930 hrs – 1900 hrs**
📍 **Venue**	**Hotel Taj Palace, New Delhi**
👥 **Expected Attendance**	1,600+ Industry Leaders, OEMs, CXOs & Key Decision-Makers
🎯 **Core Focus Areas**	Connected Factories, AI, Industry 4.0, Robotics, Automation, Digital Transformation & Export Excellence

Dear Esteemed Industry Colleagues,

We are pleased to announce the **61st ACMA Excellence Awards & 12th Technology Summit 2027** , scheduled to be held on **3rd March 2027 at Hotel Taj Palace, New Delhi**. As the automotive and mobility sector enters an era defined by intelligent factories, connected ecosystems, global competitiveness, and rapid technological convergence, Manufacturing Intelligence is emerging as the ultimate source of sustainable business growth.

The Summit will convene leading OEMs, Tier-1 and Tier-2 suppliers, technology providers, policymakers and global manufacturing visionaries to explore how AI, automation, digitalization, and advanced manufacturing can build a smarter, agile and globally competitive Indian automotive ecosystem.

A High-Powered Convergence of Industry Leaders (1,600+ Attendees)

▪ **Leading OEMs & Mobility Companies:** Shaping the future of automotive manufacturing and connected ecosystems.

▪ **Tier-1, Tier-2 & Emerging Suppliers:** Driving Technology, Scale, Quality compliance, and Component innovation.

▪ **CXOs & Senior Operational Leaders:** Representing manufacturing, engineering, quality, technology and supply chain domains.

▪ **Technology & Solution Providers:** Specialists in AI, robotics, automation, digitalization, and Industry 4.0.

▪ **Government Officials & Policymakers:** Senior regulators and automotive industry policy architects.

▪ **Global Automotive Experts & Academia:** Representatives from international bodies, research institutions, and strategists.

Summit Highlights & Strategic Panel Discussions

PANEL DISCUSSION 1: EXPORT EXCELLENCE

▪ **Core Theme:** Building Globally Competitive Indian Automotive Suppliers.

▪ **Key Discussion Areas:** Global customer expectations, export readiness, quality compliance, cost competitiveness, international certifications, supply-chain resilience, and strategic blueprints for scaling India's auto component exports.

PANEL DISCUSSION 2: DIGITALIZATION & AI

▪ **Core Theme: From Connected Factories to Intelligent Manufacturing.**

▪ **Key Discussion Areas: Practical integration of AI, Industry 4.0 frameworks, robotics, data-driven operational decisions, predictive maintenance, and scalable digital transformation pathways.**

Key Event Features & Experiences:

✓ **61st ACMA Excellence Awards:** Recognizing standout organizations and individuals demonstrating exceptional manufacturing leadership.

✓ **C-Suite Keynote Addresses:** Insights from top OEM leaders, international technology visionaries, and senior government policymakers.

✓ **Deep-Dive Technical Sessions:** Focusing on AI, robotics, shop-floor automation and advanced materials capability.

✓ **Technology & Solution Exhibition:** Live showcase of breakthrough digital manufacturing technologies and solutions.

✓ **Executive Networking:** Structured opportunities to connect with key decision-makers across the automotive ecosystem.

Participation & Fee Structure

Category / Participation Type	**Fee Details & Applicable Terms**
ACMA Member Delegate Fee	**₹ 9,500 + 18% GST (per person)**
Non-Member Delegate Fee	**10% additional fee over standard member rate**
Group Registration Discount	**10% discount for companies nominating 2 or more delegates**

Special Complimentary Pass Eligibility

To encourage participation from organisations associated with ACMA's Excellence Awards, cluster and industry development initiatives, the following complimentary registration benefits are available:

- **ACMA Excellence Awards 2026 Applicants:**
  2 complimentary registrations per application.
- **ACMA Excellence Awards 2026 Winners:**
  4 complimentary registrations per winning category.
- **Past 5-Year Award Winners (2021–2025):**
  2 complimentary registrations per award, per company/plant.
- **Past & Present Cluster Participants (2000–2026):**
  1 complimentary registration per company/plant for participation in ACMA / AMF / UNIDO Cluster Programmes.
- **Event Sponsors:**
  Complimentary registrations as per the respective sponsorship package and entitlement.
- **Special Invitees:**
  Complimentary registration as specified in the individual invitation.

Exhibition & Service Provider Stalls: Service providers and technology companies in AI, robotics, automation, and Industry 4.0 can showcase their solutions through dedicated exhibition stalls and presentation slots. Due to limited stall availability, allotments are made strictly on a first-come, first-served basis subject to relevance.

Speaking slots for Service Provider : Few speaking slots are available as per relevance to the summit theme *(Refer to the Sponsorship details document for full details).*
