

### Press Release

## **Vikrampati Singhania appointed President, ACMA; Sriram Viji named President Designate**

**New Delhi, 15, September 2025:** The Automotive Component Manufacturers Association of India (ACMA), the apex body representing the Indian auto component industry, today announced the appointment of **Mr. Vikrampati Singhania, Managing Director, JK Fenner (India) Ltd.**, as President, ACMA for the 2025–26 term. The Association also announced **Mr. Sriram Viji, Managing Director, Brakes India Pvt. Ltd.**, as President Designate.

*Welcoming the new President, **Mr. Vinnie Mehta, Director General, ACMA**, said: “The appointment of Mr. Vikrampati Singhania as President and Mr. Sriram Viji as President Designate comes at a decisive moment for our industry. The auto component sector is navigating geopolitical volatility, supply chain realignments, and accelerating electrification. Their proven leadership will be invaluable in steering ACMA’s agenda on strengthening India’s global competitiveness, securing critical raw materials, and fostering R&D and innovation. I am confident that under their stewardship, ACMA will further our industry’s vision of building a resilient, sustainable, and future-ready mobility ecosystem.”*

***Mr. Vikrampati Singhania, President, ACMA**, said: “It is a privilege to lead ACMA at a time when India is rapidly emerging as a trusted global partner in mobility value chains. With exports crossing record highs and EV adoption reshaping the market, our task is to strengthen resilience and competitiveness. We must deepen localization, invest in advanced technologies, and embrace sustainability as a core business imperative. Together, with the government’s continued support and our industry’s commitment, we will work towards making India not only self-reliant but also a global leader in the next generation of mobility components.”*

### **About ACMA:**

The Automotive Component Manufacturers Association of India (ACMA) is the apex body representing the interest of the Indian Auto Component Industry. Its membership of over 1,100 manufacturers contributes more than 90% of the auto component industry’s turnover in the organized sector.
